REFERENCE:

Submitted to the Government.

2. The statistics show that there was decrease in the number of currents received by some of the clerks in the Collector Office , Taluk Office, Mangalore and in offices of the Deputy Tahsildarx, Puttur and Bethangadi. Buththe work has increased in all these offices as a whole. The Collector has reported that all the temporary posts in question had been in existence for more than 8 years and that he had personally examined the work in almost all offices in the Districts found that there was more need for strengthening the existing staff than any scope for reducing it. It is not therefore desirable to consider any reduction. The Board therefore recommends the proposals of the Collector for the retention of the entire staff mentioned in statement No.I. in the Collector's letter cited for a further period of one year from 1-4-1953.

3. The Board is permitting the Collector to continue the beyond 31-3-53 in anticipation of sanction/and request that its action may be approved.

4. The Collector is permitted to continue the staff in question beyond 31-3-53 in anticipation of sanction.

The Sanction accorded in the G.O. cited to the further retention of the temporary staff specified in statement I of this report will expire on 31.3.1953. I have examined the question of its further retention and I find that the need for which the staff was sanctioned still continues. A statement (No. II) showing the statistics of work justifying the continuance of this staff is enclosed. All the temporary posts specified in statement No. I have been in existence for more than 8 years now and the proposals for their ~~pre~~ permanent retention were submitted to the Board in Ref. C.No.Al. 31740-50 dated 31.10.51 and 29.12.51 with reference to G.O.780 Fin. dated 19.7.1949. But the Board in its L.Dis. W. 62-52, dated 2.7.52, stated that these posts were created for temporary increase in work, that they could not be considered as required permanently for dealing with the ~~usual~~ normal work of the Government and that revised proposals might be submitted if necessary, after studying the effects of decontrol and also of the scheme of Separation of the Judiciary from the Executive to be introduced. Consequent upon decontrol, the special staff that was doing procurement work and work connected with controls has already been disbanded leaving only a skeleton staff behind. There has not been any decrease in the normal work on account of decontrol. I have personally examined the work in almost all offices in this district and I find that there is more need for strengthening the existing staff than any scope for reducing it. In my own office I find a marked increase of work and consequently the existing staff is working beyond office hours to cope with the work. In this connection I invite the Board's attention to my report Ref.Al.25252 /52-5 dated 7.2.52 in which I have requested sanction for additional staff for my office. In these circumstances, I request that sanction may kindly be obtained for the further retention of the staff specified in statement.I, to this report for one year from 1.4.1953, if it cannot be made permanent now.

Yours faithfully,

For Collector.
